Last year there were 108 raids made on policy shops: this year, 25. Last year there were 300 raids on other places where gambling was suspected of being carried on: this year, 133. Last year there were 996 persons arrested, and property to the amount of \$1,680.84 seized: this year there were 1,143 persons arrested, and property to the value of \$2,305.58 seized.

Bureau of Criminal Investigation.

The "Rogues' Gallery" now contains 15,980 photographs, 10,980 of which are photographs with Bertillon measurements, a system used by this department during the past four years.

In accordance with an act passed by the Legislature March 28, 1899 (chapter 203, sections 1 and 2), we are allowed photographs, with Bertillon measurements, of all convicts now in the several prisons in this State, and of those who have been confined there and who are measured under that system and photographs taken, — a number of which have already been added to our Bertillon cabinet. This, together with the adoption of the system by this department in 1898, is and will continue to be of great assistance in the identification of criminals. The records of 742 criminals have been added to the records kept in this Bureau, which now contain a total of 24,670. This Bureau has issued 384 prison reports of discharged convicts, containing the full records, description, distinguishing marks, etc., of 125 convicts who were discharged during the year, and whose records were considered of sufficient importance to preserve. Other police departments were furnished with 156 copies of these reports. The number of cases reported to this office which have been investigated during the year are 10,364, — 2,470 of which are recorded on the assignment books kept for this purpose, and reports made on these cases are filed away for future reference. Letters and telegrams, to the number of about 2,000 yearly, are now filed with the numbered reports to which they refer, so that all the papers pertaining to a case can be found in the same envelope, thus simplifying the matters when information is desired on any case. The system of indexing, adopted by this Bureau for the use of the department, now contains a list of records, histories, photographs, dates of arrests, etc., of about 60,000 people; there are also "histories and press clippings," now numbering 5,285, kept by this Bureau, in envelope form, for police reference.

The statistics of the work of this branch of the service are included in the statements of the general work of the department; but as the duties are of a special character, the following statement will be of interest: —

Number of persons arrested, principally for felonies, . . .	810

During the past year 356 such permits were granted and 740 cancelled or revoked: most of the cancellations being made on the request of the employers during a strike of brewery employees.

POLICE SIGNAL SERVICE.

In compliance with chapter 454 of the Acts of 1894 and chapter 249 of the Acts of 1898, 19,600 feet of underground cable have been laid on Divisions 9 and 10, and 4,280 feet on Division 15.

On account of the growth of population in the outlying districts it has become necessary to install more signal boxes. One has been placed on Division 11, and 10 on Division 13, making 450 boxes in service.

There are in use in the signal service 25 horses, 18 patrol wagons and 12 pumps.

During the year the wagons made 22,280 runs, covering an aggregate distance of 19,925 miles. There were 21,392 prisoners conveyed to the station houses; 1,100 runs were made to take injured and insane persons to station houses, the hospitals or their homes; and 613 runs were made to take lost children to station houses. There were 645 runs to fires and 151 runs for liquor seizures. There were 450 signal boxes in use, arranged on 60 circuits. There were 906,514 telephone messages and 2,636,242 "on-duty" calls sent over the lines.

CONCLUSION.

There were slight increases in offences against property (16), the currency (8), chastity (48) and in misdemeanors (387).

There were slight decreases in offences against the person (93), against the license laws (34) and in drunkenness (321).

The Board also takes this occasion to commend the efficient and faithful work performed by the officers during the past year.

Respectfully submitted,
